### **Resolution of 1<sup>st</sup> Executive Committee Meeting (2017 – 18) of WBJSWSA, held on 04/02/2017 at 12:00 noon at Beliaghata Leprosy Home**

The 1<sup>st</sup> meeting of newly constituted Executive Committee (2017-18) of WBJSWSA started on 04/02/2017 at 12 noon at Beliaghata Leprosy Home. Sri Anindya Narayan Chaudhuri, President of the association took the chair.

The meeting was initiated by the joyful greetings for successful execution of last AGM from the chair of President and he read the minutes of the last Annual General Meeting that was accepted by the committee.

Small mementos and flower bouquets were presented to the all members of outgoing Executive Committee as a token of respect on behalf of the new Executive Committee.

99<sup>th</sup> Edition of 'News Letter' was published by the former President Mr. Nilanjan Bhattacharya which was published after a prolonged time. This is the mouthpiece of our association. This edition was decorated and planned by the General Secretary Mr. Partha Pratim Dasgupta and News Letter Editor Mr. Haridas Das. Newly elected EC Member's Profiles were incorporated in this new edition. News Letter Editor was applauded by all members present for his Herculean endeavour to publish this edition within extremely short time span.

The Court Case relating to Acting CDPOs issue was importantly raised by the members during issue-wise discussion. The members were in suspicion about the will of Department regarding the reversion of ACDPOs and proceedings of court case. Other Association does not clear their stand, rather their attitude indicates their inclination towards ACDPOs for paltry self-interest.

The members uttered their resentment against one LD Staff of department who has been acting as an agent for another association and influence new comers by unethical means.

The former President Mr. Nilanjan Bhattacharya expressed his hope about the pending file of State Service in Finance Department through Administrative goodwill and proposed for certain actions and discussions over the issue may be initiated and he assured to extend all cooperation from his part.
