Date: 01.06.2023

To,
The Principal Secretary,
Department of WCD&SW, Government of West Bengal,
Bikash Bhaban, North Block, 10th Floor,
Saltlake, Kolkata 64.

Sub: Request for consideration of transfer order of the officers belonging to the WBJSWS

Madam,

First of all we as a responsible association acknowledge our sincere gratitude for the recent transfer notification published by the department. This was a much awaited & of course much needed step to encourage the officers, serving the distant posting for a considerable period of time. Though it was a very difficult decision to execute with sixty percent officers strength, yet it has been proven to be dynamism of our department.

For the last one year and above the notifications of transfer, published by the department had clear administrative necessities. Almost every notification made our members serve another distant/ difficult posting during their service tenure and we took it as a challenge to serve the people.

The officers mentioned in the table below have definite problems and have family obligations. They deserve your kindness for their transfer to a nearby favourable posting or they deserve consideration for their places of posting as per some recently published notifications within last one year.
