Memo No: 76/N-GS

Date : 13.12.2023

To  
The Director of ICDS, West Bengal,  
Shaishali Complex,  
Salt Lake, Kolkata 700064

Sub: Scrapping of Vehicle Regarding  
Ref: 5135(4)-WCD Dated 7/9/2023

Madam,

We are writing to express our concerns regarding the speed of processing for the scrapping of old Government vehicles, as indicated by the reference numbers mentioned earlier. It has come to our attention that, to date, the Directorate of ICDS has not processed a single file at least in the initiation level.

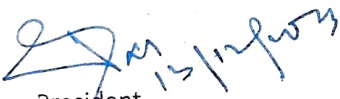

We had anticipated that the authority would present alternative solutions instead of creating hindrances. Unfortunately, the funds intended for movement purposes have been halted without any alternatives. The uncertainty surrounding the allocation of funds for ICDS projects, where no fund has been provided since the last financial year, is a matter of great concern.

On behalf of our association, we have gathered information of such official vehicles from our members and are submitting it to you for your intervention in accordance with government rules. Furthermore, we request funds for all those projects where condemnation/scrapping has not yet been carried out. This fund should also include arrears from the last financial year.

We would like to humbly inform you that if the current situation persists for the next few months, we may be compelled to stage a demonstration before your office. We believe that a swift resolution to these issues will contribute to the efficient functioning of the ICDS projects and the overall success of our collaborative efforts.

Thank you for your attention to this matter. We look forward to a positive response and resolution.

Sincerely,

  
President  
WBJSWSA
