Sub:- Demand for immediate arrangement for the publication of Gradation list forthe officers of WBJSWS cadre service.

Sir,

In spite of our repeated demand for the publication of Gradation list forthe officers of WBJSWS cadre service, the matter remains unheard for pretty long due to reluctance on the part of administration.

The last Gradation List was published vide memo no. 1771(3)-SW 3E-403/94 dated 18.06.2002 covering the members joined the service up to the year 2000. Since then no Gradation List has been published on behalf of the Department. At present out of almost 300 service cadres only 122 are covered under the existing Gradation List.

In view of the above, we strongly demand for immediatepublication of Gradation List forthe officers of WBJSWS cadre service.

In this connection, we are to assure you that for the present, we are ready to co-operate with the dept. by providing withthe data required for the draft Gradation list, available from our end both in hard and soft copy, for early disposal of the matter.

With worm regards.

Yours faithfully,

General Secretary / President
